

Hello Birch Class!

I hope you are all having a good start to the week. I have set some challenges for you to try this week. There is a different one every day! You should be able to complete the challenges with things around your house and you do not need a printer. If you want to you can take pictures of you completing the challenge and email me them.

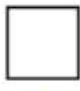

If your adult tells me you have done all 5- I will send a special certificate in the post!

Have fun,

Mrs May

MONDAY

 Mrs  May's Challenge  of the day!

 Find  something  the shape of  a square  in

 your  house.
