

Greeting

my

friends,

teachers

and

Support Staff

When

I'm

at

school

I

usually

greet

people

by

giving

a high 5,

a

hug

a

hand shake.

But

as

the

Corona Virus

can

make

people

unwell

we

will not

touch

other people

in school.

This

will

help

to stop

us

from

getting

sick.

At

Brent knoll

we

have

found

new

ways

to

greet

people

without

touching.

We can wave,

give an air hug,

say namaste,

or

salute.

Can

you

think

of

your own

way

of

saying

hello

without

touching

other people?

Greeting

each other

at

school

is

going to

be

a bit

different

this year.

It

will

be

fun

to learn

new

ways

to

say

hello.
