

What is our sixth form?

A one-year transition course for students who would benefit from additional time within a nurturing environment. We develop student's confidence and independence with a view to them transitioning to a local Further Education College enabling them to become active citizens, able to participate and make a positive contribution within their own communities.

What is our curriculum?

The curriculum provides a breadth of experiences and enables personalised learning to ensure that each learner can progress and develop at their own pace. As well as opportunities to experience new learning opportunities there is a desire to allow consolidation and broadening of previous knowledge and experience to help develop their life skills, encourage independence and get a taste of the world of employment developing their social, communication and interaction skills.

What do we do?

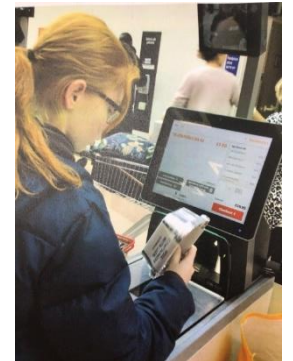

Support Surfers Against Sewage Million Mile Beach Clean – ASDAN

Support local families by volunteering at the Food Bank

Independent shopping – Life Skills

Library Skills – Independent Life Skills

School allotment – Horticulture

Bromley Mencap – Norman Park

JOY DEVER – launch of our Young Enterprise Student Company

Students have been taking part in Team Enterprise – a branch of Young Enterprise running a business.

All students have job roles in the business and a weekly meeting is held to plan and discuss ideas to make products to sell.

As part of this venture we collaborated with Ignition Brewery (a local Social Enterprise company) and Unruly Flowers Floristry business. The idea was to make Christmas Wreaths to sell. Students took part in two workshops to practise their wreath making skills before making 30 wreaths to sell.

Transition Link Course – Lewisham College

Catering and Music Technology.

Working in the SE4 Coffee shop.

Our unique offer our intends to support students and encourage them to uphold our values of:

- Honesty
- Responsibility
- Fairness
- Respect
- Kindness.

Through adhering to these values, we hope that our students would all be given the opportunity to realise the school vision that all of our community will do all they can to:

'Be the best that they can be'
